

# Asia/Pacific Airport Coordinators Association (APACA)

Agenda Item 5  
SHL & SAL Distribution

19th APACA meeting  
12 November, 2019  
Brisbane, Australia

# Notification of SHL date at WWACG Web Site

## 10.4 DETERMINATION OF HISTORIC SLOTS BY COORDINATORS

10.4.3 The coordinator must publish the date when SHLs were sent for each airport by the SHL Deadline at [www.wwacg.org](http://www.wwacg.org). Coordinators who regularly fail to distribute SHLs by the deadline will be contacted by JSAG to discuss their compliance with these procedures.

## 10.5 REVIEW OF HISTORIC SLOTS BY AIRLINES

10.5.4 Airlines that do not receive an SHL message must request the SHL from the coordinator. Airlines should consult [www.wwacg.org](http://www.wwacg.org) to confirm whether the SHLs were distributed for that airport. If an airline continues to experience difficulty obtaining an SHL from a coordinator, it should raise the issue with IATA.

# Notification of SAL date at WWACG Web Site

## 10.10 INITIAL COORDINATION

10.10.1 Coordinators and facilitators must inform each airline of the results of Initial Coordination by SAL message as soon as it is complete, but no later than 23:59 UTC on the SAL deadline date set in the Calendar of Coordination Activities. SAL messages should be sent at the same time to all airlines that requested slots at the airport.

10.10.4 Airlines that do not receive a SAL message must request it from the coordinator or facilitator. Airlines should consult [www.wwacg.org](http://www.wwacg.org) to confirm whether the SALs were distributed for that airport. If an airline experiences continuing difficulty in obtaining a SAL from a coordinator or facilitator, it should raise the issue with IATA.

# Registration of ID & PW to WWACG Web Site (1)

Screen image before login

The screenshot shows the WWACG website homepage. At the top left is the WWACG logo with the tagline 'WORLD WIDE AIRPORT COORDINATORS GROUP'. To the right of the logo is a search bar labeled 'LblSearch' with an 'OK' button and a dropdown menu labeled 'Area filter' set to 'WORLDWIDE'. Below the logo is a navigation menu with links: 'ABOUT US', 'OUR MEMBERS', 'LIBRARY & NEWS', 'WORKSHOPS & SEMINARS', 'DIARY & DEADLINES', 'STANDARDS', and 'LINKS'. The main banner features the text 'WORLDWIDE AIRPORT COORDINATORS GROUP' and 'OUR MISSION: "To deliver a professional, neutral, transparent, non discriminatory service to the aviation industry Worldwide in order to contribute to efficient solutions to optimising the use of capacity at airports."' with an image of an airplane. At the bottom of the banner is a login section with 'Login & password' and an 'OK' button. Two circles highlight the input fields: a green circle around the ID field and a red circle around the password field. Below the banner is a green box labeled 'Login ID' and a red box labeled 'Login PW'. The main content area includes a welcome message from Eric Herbane, WWACG Chairman, and a 'Dear visitor,' greeting. A paragraph discusses airport congestion and the development of a system for efficient resource usage. A section titled 'LATEST NEWS' lists three articles: 'New Governance for the Worldwide Slots Guidelines (WSG)', 'New Transfert Program at Istanbul Airport', and 'Opening of the New Istanbul Airport'. A pink callout box at the bottom center contains the text: 'To get login ID & PW, Contact "secretary@wwacg.org"'. The footer contains a paragraph about WWACG members and partners.

To get login ID & PW,

## MANAGE YOUR EVENTS

From this page you can create or modify an event concerning your agency, your country, or one of the airports you are in charge of.

Hiroki TAKEDA [Logout](#)

### How to create, modify or delete an event:

Please comply with the Date Format : YYYY-MM-DD

For convenience the history of events will be retained for only 360 days for Slot monitoring & Airport Committees & specific events or 150 days for SHL & SAL dates.

The system allows you to choose

- a single airports
- all your airports in your country
- all level 1, 2, 3 airports in your country

On the right side of the screen :

- = validation of a new event
- = modify an event
- = copy an event
- = delete an event
