

WWACG Board Update

With the retirement of Eric Herbane in December 2020, the board of WWACG had to elect a new Chair for the remaining two years of the three-year term. The Board unanimously voted in Fred Wister as the new Chair of the WWACG.

As Eric is leaving, a board position was open on the WWACG and this was taken up by Didier Hocq from Belgium coordination. Didier had been a pivotal member of the WWACG Secretariat, and his knowledge and experience is welcomed to the Board.

Didier's departure from the WWACG Secretariat left an opening on this group and Ignacio Monasterio from Spanish coordination stepped into the take Didier's place in the Secretariat.
