Notification of SHL & SAL dates at WWACG Web Site (1)

8.9 INITIAL COORDINATION

8.9.1 Coordinators and facilitators must inform each airline of the results of initial coordination by SAL message as soon as it is complete, but no later than 23:59 UTC on the SAL deadline date set in the Calendar of Coordination Activities. SAL messages should be sent at the same time to all airlines that requested slots at the airport.

8.9.5 Airlines that do not receive a SAL message must request it from the coordinator or facilitator. Airlines should consult www.wwacg.org to confirm whether the SALs were distributed for that airport. If an airline experiences continuing difficulty in obtaining a SAL from a coordinator or facilitator, it should raise the issue with IATA Management.

8.4 DETERMINATION OF HISTORIC SLOTS BY COORDINATORS

8.4.2 The coordinator must publish the date when SHLs were sent for each airport by the SHL Deadline at www.wwacg.org. Coordinators who regularly fail to distribute SHLs by the deadline will be contacted by JSAG to discuss their compliance with these procedures.

8.5.4 Airlines that do not receive an SHL message must request the SHL from the coordinator. Airlines should consult www.wwacg.org to confirm whether the SHLs were distributed for that airport. If an airline continues to experience difficulty obtaining an SHL from a coordinator, it should raise the issue with IATA Management.

Welcome to the website of the WWACG, the Worldwide Airport Coordinators Group!

Ernst Kolke
WWACG Interim Chairman

Dear visitor,

Around 300 airports worldwide are coordinated or schedule facilitated. The WWACG members play a vital role in the air transport activities by assuring that airline schedules would meet the capacity requirements at the busiest airports worldwide. Coordinators and schedule facilitators do so by allocating slots to airlines or by making well-founded suggestions with regard to adequate arrival or departure times. In short, WWACG members help making airlines schedules more realistic.

All members and associate members shall have been officially approved by their governments or appointed by an authority at allocation or schedules

Scheduling Guidelines may have to be observed.
