cf1. European Airport Coordinators Association (EUACA)

cf2. Asia/Pacific Economic Cooperation (APEC)

Preparatory Meeting for Asia/Pacific Coordinators and Facilitators Group (7)

3. The definition of the Association ⇒ Framework

The Asia/Pacific Airport Coordinators Association is a regional group under the **Worldwide Airport Coordinators Group (WWACG)** with a membership of 18 Asian coordinators and 5 schedules facilitators. The ACAA provides a forum for members and associate members (located in other Asia/Pacific regions) to be kept up to date on all matters relating to schedule coordination and facilitation.

4. The concrete objectives of the Association ⇒ Scope

- (1) exchanging information and sharing experiences between members
- (2) supporting and assisting members
- (3) deciding on common positions and actions
- (4) representing the interests and views of members
- (5) improving standards of coordination and schedules facilitation
- (6) establishing best practices in airport coordination and schedules facilitation
- (7) providing opportunities for the training and development of new members
- (8) organizing industry seminars in topical issues
- (9) working with **Worldwide Airport Coordinators Group (WWACG)** to improve rules and regulations

Preparatory Meeting for Asia/Pacific Coordinators and Facilitators Group (8)

5. Category of Membership

(1) Members
