The screenshot shows the KASO website interface. At the top left is the KASO logo (Korea Airport Schedule Office). A navigation bar contains tabs for ABOUT US, AIRPORT INFO, COORDINATION PROCESS, LIBRARY, and STATISTICS. The main content area features a map of Korea with airport locations marked. To the right, there are sections for 'Office Location' with a world map, 'Aircraft movements' with a bar chart and percentage sign, and 'News & Events' with a list of recent events. At the bottom, there are links for 'Library' (Download slot documents) and 'Monthly Slot' (Download Monthly slot statistic files of Airports).
