

<Notice for S24 submission for FUK>

I Parking stands

In case of overflow of capacities, alternative timings may be allocated.

II Initial Submission

A. 05OCT (06OCT 08:59 Japan Local Time) is the deadline for S24 Initial Submission.

SCR can be sent via e-mail to scr@schedule-coordination.jp.

FYI: No SITA service is available.

Any inquiries and questions in a free text format can be sent via e-mail to

jsc@schedule-coordination.jp

B. The additional criteria will be taken into consideration for changes to historic slots that were:

- I Retimed or added on an ad-hoc basis during S23* (i.e. Slots whose SHL was given at a different time from the operated timing)
- I Complied with the minimum utilization requirement** during S23
- I Requested again in the initial submission for S24 with the same timing operated on S23 on an ad hoc basis.

*The series of slots retimed or added during S23 should not be split throughout the season.

**A series of slots at least 5 slots allocated for the same time on the same day-of -the-week satisfied the minimum 80% usage requirement.

Please state flight number and the day of operation in SI field of your initial submission with reference to below example***, if you want JSC to take into consideration above criteria. JSC will check if your request meets the requirements.

***SI REQUEST CONSIDERATION FOR ZZ998 DAY1/2/3

III SAL

JSC will send you S24 status in SAL message format on 02NOV for confirmation of your requests. This is for your convenience and to make conference more efficient based on revised WASG.
